[SCOUTS]

Congratulations to all 6 boys that took part in this year Oxley Shield Competition. Despite one of the youngest teams we have ever entered the boys did a fantastic job and came 3rd out of ten packs, narrowly missing out on a trophy. Earlier in the year the boys won the district Fun Run and Go-Karts for an impressive 7th year running. This term the boys will be doing their Global Challenge.

The Beavers held on to their title as District Tug O War winners.

The Scouts have had a busy Summer, winning the District Swimming Gala, coming 3rd in the Bowls Competition, 4th in the raft race on the River Lea and this weekend they came 4th in the Scout Section of the Heavy Weight Camping Competition. This is a busy term for the Scouts with the District Nocturnal Challenge and Green Beret County Competition.

SAFETY

Would all parents and visitors please curb their speed when entering the car park and especially when parking on the grassed areas. With the darker nights and problems with our external lighting - we have had a couple of near misses! Thank You

We need lots of Adult support to help steward the evening. For those who have not been involved before your duties would be very light and mainly involve being seen to ensure a safe event for all.
